Students who successfully complete these courses can earn college credit from the institution providing the course. A fee is required made payable directly to the college offering the course. The credit will appear on an official college transcript that can be sent to other colleges for transfer of credit. While most colleges will honor the credit earned through College in High School, we strongly recommend that students inquire at the college of their choice for clarification of how the credits may be applied to their intended major.

----Conemaugh Valley High School has no jurisdiction over the transfer of credit to colleges.----
